Cranberry Lip Balm 10g

Our Cranberry flavoured lip balm comes in a neat 10g plastic container that is easy to carry in your purse or pocket. We have used Neem for this product together with beeswax and lanolin to give body and protection. Then we added Vitamin E as it is a powerful antioxidant that helps to slow daily damage to your skin caused by oxidants. Sunscreen gives extra protection against the sun's harmful rays and also a preservative for longer life of the balm. So spoil yourself with our moisturising Neem Lip Balm and soften and protect those dry and damaged lips.
