For the very first time in the world we have blended the unique qualities of Australian Neem and Australian Lemon Myrtle in this wonderfully refreshing Face & Body Cleansing Bar.

Neem has been a traditional medicinal herb for centuries and is widely acclaimed for its antiseptic, antibacterial, antifungal, antiviral attributes. It is a large tree with rich foliage and grows in our sub tropical and tropical areas.

Lemon Myrtle is only grown in our local Australian rainforest region and is highly regarded as an Australian "Bush Tucker" herb as well as a stunning ornamental tree. Like Neem it has many healing qualities and is highly regarded for its antibacterial, antiseptic and antifungal qualities. The leaves give off a strong refreshing lemon aroma.

In the creation of this rich moisturising cleansing bar we used only the very best quality vegetable oils, moisturiser & Jojoba Oils together with Vitamin E. These mixed with our Neem and Lemon Myrtle produce a pure, clean and refreshing cleansing bar with a delightful perfume and luxuriant lather.

Its soft, creamy texture will caress and pamper the body and will leave you feeling fresh and rejuvenated
